Quick arrest after armed robbery across street from RCMP detachment

Less than 24 hours after an armed robbery in Redwater a woman was arrested. However, the strangest aspect of the crime is that the robbery took place at the Esso station directly across the street from the RCMP detachment.

On Feb. 5, at approximately 10:00 p.m., Redwater RCMP responded to the report of an armed robbery in progress at the gas station. A woman walked into the store in disguise with what was believed to be a firearm and demanded money. The suspect then fled with an undisclosed amount of money in a dark SUV believed to be a Ford Edge. No one was injured.

The next day at approximately 4 p.m., Redwater RCMP located the suspect vehicle on the 47 Avenue block in Redwater — about a mile from both the police detachment and the crime scene. As a result of the subsequent investigation, a female suspect was arrested and the vehicle was seized.

Then on Feb. 7, at approximately 6 a.m., Redwater RCMP executed search warrants on the seized vehicle and a residence in Redwater. A firearm and clothing believed to be used during the offence were seized by police.

The woman was charged with: Robbery with a firearm; Pointing a firearm; Possession of a weapon for a dangerous purpose; Using a firearm in the commission of an indictable offence; and Concealment of identity to commit an indictable offence.
Mini Mites learn hockey skills

We are so proud of how far they have come since starting the season, as some children could not even skate yet. By December, the whole team was skating with speed and team manager Courtney Taylor. “They have been working on skating forward and backwards, stopping, shooting, passing, stick handling, and all the basic skills of hockey.” The Mini Mites are Brayden Taylor, Bennett Lawville, Austin Carruthers, Harlow Wright, Parker Baldwin, Lincoln Caouette, Peyton Lavallee, Aubrey Carruthers, Harlow Wright, William Marsh, Timber Cholewa, Krew Atchber, the whole team was skating well,” said teammate William Marsh.

The Redwater Mini Mite Hockey team has fun as they learn hockey skills.

The Redwater Environmental Farm Plan (EFP) is a voluntary, whole farm, self-assessment tool that helps farmers identify environmental risks and development plans to mitigate those risks. Join us for this free workshop to create or update your EFP.

Why complete an EFP?
- Protecting water, air and soil quality is key to the sustainable production of crops and livestock.
- Increase operational efficiency while reducing farm costs.
- Pair environmental stewardship with agricultural production for sustainable farming.
- Cost-sharing available for the first 10 years.

Do you have an EFP?
Effective 2018, producers are required to have an EFP completion letter dated within the last 10 years of the date of application, to be eligible for cost-sharing funding with the On-Farm Stewardship programs of the Canadian Agricultural Partnership (CAP).

Register by February 18, 2023.
Email: shufman@agrainfo.ca or call 780-939-8322.
Space is limited. Please bring a laptop; lunch is provided.

For more information about the Environmental Farm Plan, go to www.aginfo.ca
Rain Barrel & Composter Program
The Rain Barrel Program invites residents to purchase quality rain barrels at the unbeatable price of $55.

Order forms may be picked up from the Community Services Office (2nd floor of Pembina Place). Order deadline TBA. For more information please contact the Community Services Office at 780-942-4101.

Personal Directives and Goals of Care Workshop
If something happened and you were unable to make decisions, who would make decisions for you about your medical care, where you should live and other personal decisions according to your values?

Thursday, April 9, 2020

TOWN OF REDWATER / STURGEON COUNTY
Public Open House
YOU’RE INVITED!
The Town of Redwater and Sturgeon County are developing the Intermunicipal Development Plan.

We want your input ...
Please join us at the public open house to discuss and learn more about these projects at the following Public Open Houses:

February 25, 2020
5:00 to 6:30 pm
Redwater Town Office - 4924 47 Street
Redwater, Alberta

The purpose of the Open House is to present information to interested landowners and stakeholders and to receive comments.

We hope you are able to attend and provide us with your opinion. If you are unable to attend and would like a copy of the material, please contact:

Natasha De Sandi
Community Planner with Sturgeon County
780-939-8350
or
Larry Davidson
CAO with the Town of Redwater
780-412-5519 ext 230.

Utility Rates
To ensure sustainability of the Town utility system the following rate changes will be effective January 1, 2020:

- Town Water Variable rate increase of $0.10 to $1.40 per cubic meter
- Town Water Fixed Service Charge (for Capital Infrastructure) increase of $1.00 to $15.00
- Town Gas Fixed Service Charge (for Capital Infrastructure) increase of $1.00 to $18.00
- New Town Storm Sewer Capital Investment Charge of $1.00

In consideration of the reduction in funding from the Province going forward for capital projects, these increases ensure that Town reserves remain sustainable to enable future capital utility projects.

Within the 2020 Budget the Utility Capital Investment transfer for future capital projects totals $99,360.00.

Contracted Rates
As in previous years, the GFL contract has gone up by 2% for garbage, organic and recycle services.

The Capital Region Northeast Water Services Commissions water sales rate has increased by $0.0462 to $1.65 per cubic meter.

If you have further questions regarding the Town of Redwater utility rates, please contact the office at 780-942-3519.

Federal Fuel Charge Levy
Effective January 1, 2020 the Federal Greenhouse Gas Pollution Pricing Act will come into effect in Alberta. This will result in a federal fuel charge levy on fuel and combustible waste. There will be a Federal Fuel Charge of $1.05/GJ on your utility bill starting on January 1, 2020.

This wide load travelled through Smoky Lake and Thorhild counties on its way to Fort McMurray Jan 26 and took one week to reach its destination north of Fort McMurray.

The pressure vessel, called an evaporator, treats water for oilfield steam generators. The vessel is about as tall as a telephone pole and as long as a football field. Its exterior insulation and cladding was done by Black Gold Insulation in Thorhild.

This load was about 9 m wide, 11.6 m high and 96 m long. It moved with pilot and escort vehicles and used the entire width of the highway, including the shoulder. On some sections of the route it travelled over the flow of traffic, so lanes were blocked off when necessary.

**Drivers meet huge industrial load**

To get to Hwy 63 north to Fort McMurray, the vessel followed the heavy load corridor, which meant it first went west on Hwy 69 then back west on Hwy 68 before heading north on Hwy 63.

Quilters sew to support community

Redwater Quilters’ Guild members are sewing quilts for Jesse’s House, the shelter for people fleeing abuse that will soon open in Morinville.

One quilt is being made as a contributor donation with the others destined for the clients’ rooms. “We’ll have a good supply by the time they open,” said Quilters’ Guild archivist Lois Andrews Jan. 25.

Guild members are also presently sewing red and white blocks to make a Quilt of Valor and are working on numerous regular projects. They have three bins of quilts ready to go to the Wings of Providence women’s shelter in Edmonton, which is one of their annual donations.

They also regularly donate quilts to local Victim Services organizations. Kid’s Cottage, the Redway long term care center and the Redwater hospital. As well, they give quilts to local organizations to raffle off as fundraisers.

Another ongoing project is supplying the Royal Alexandra Hospital in Edmonton with about 100 little quilts plus flannel bunny shirts and knitted toques for newborn babies.

“I enjoy all the sewing and all the charity work we do,” said Donna Keats. “Everyone is so friendly, and I enjoy sewing. It’s a good feeling to be able to do things for charity.”

In 2019 the 24 guild members donated a total of 358 items. One lady moved out of the area but still sews for the guild.

The guild’s work is supported by area residents through donations of cotton fabrics that is used to make the quilts.

“Donations are gratefully accepted,” said Carol VanMeter. “Cotton is best for quilts.”

Moore Memorial United Church in Redwater provides space for the quilters to work and store their materials.

“The United Church lets us use this corner,” Andrews said. “We’ve been very lucky.”

Members sew some articles at home and get together in the United Church basement on a regular basis to sew, work together on projects, share information and visit.

Redwater Quilters’ Guild members Donna Keats (Left) and Heather Slivinski cut materials for quilts. Keats is cutting pieces for a block of the Velor Quilt while Slivinski works on scrap blocks. Although experienced sewers, both are relatively new members of the guild. Keats is in her second year and Slivinski just joined. “It’s a nice group of people,” she said.

dated Sparce. The finial area features a handmade clay oven for great outdoor cooking. \m Window, doors, sash, and trim, were sawn. The original kitchen has a modern update. \m

Planting for the Future

Agriculture Services will be hosting a free Planting for the Future Workshop where we will cover:

• Site preparation and seedling planting for shelterbelts
• Shelterbelt planning
• Planting eco-buffers as an alternative
• The importance of riparian planting and execution

Everyone is welcome, however, only Sturgeon County residents attending this workshop will receive a $25 coupon that can be used towards the Sturgeon County Tree Program. Please note that coupons are limited to one per residence and space is limited for the workshop.

When: Wednesday, March 4, 2020
Time: 6 p.m. to 8 p.m.
Morinville Rendez-Vous Centre
9913-104 St., Morinville
RSVP: Register before February 27, 2020. Space is limited. Register online at sturgeonservices.ca and click on the program registration button.

Redwater Curling Club member Doug Brooks smiles as he begins an evening of fun curling Feb. 4.

Donna Costain (L-R), Jim Neathway, Terry Hicks and Larry Chekerda enjoy morning coffee at the Royal Canadian Legion Redwater Branch #251 Jan. 31. The Legion Hall is open weekday mornings at 7:30 a.m. for community coffee.

COUNCIL APPROVES SPECIAL ICE RATE TO ENCOURAGE JUNIOR CURLING

The Town of Redwater is renting the Pembina Place curling ice to local junior curling teams at the school rate of $24.50 per hour.

Junior Curling Club co-ordinator Wayne Scott requested the town apply the school rate for the junior curling games in order to encourage students planning to enter the high school zone playdowns to have curling games in addition to the regular Monday night junior curling program.

“In order to improve their skill level we would like them to play against teams from other towns such as Westlock, Barrhead and Athabasca,” Scott wrote in his letter of request to council. “So as not to affect their studies, we would like to have ice available to them on Saturdays or early evenings.”

During its Feb. 4 meeting council approved using the school rate for Junior games (excluding bonspiels) for the rest of this curling season, which is to the end of March. Games are estimated to require approximately 1.5 to two hours of curling ice time.

“I think it allows more use of the facility, but it also encourages growth in the program,” said Coun. Les Dorosh when he made the motion to set the school rate for Jr. games. “Kudos to Wayne Scott and the others who help him. The kids are having fun out there.” Council unanimously passed his motion without discussion.

The Pembina Place Fee Schedule does not include a rate for the Junior Curling Program to rent ice for games outside of its Monday evening program time. The fee schedule will be reviewed by council before April 1, 2020, to set rates for the next curling season (October 2020 – March 2021).

There is no fee to students attending High School curling after school on Mondays. To participate in the Monday evening Junior Curling Program is $20 per youth for the season. The current League curling rate is $153 per day.

February 2020
To the Residents and Ratepayers of Thorhild County;
Thorhild County Council provides residents with this update for the past year and a glimpse into the
balance of 2020. Council is pleased to have completed the recruitment of their new Chief
Administrative Officer (CAO) in December 2019. Paul Hanlan joined the Thorhild County team on
January 2, 2020 and brings over 20 years of municipal government experience to the County.
Please drop by the County office for a coffee with our new CAO!
Redwater RCMP Detachment hosted three Rural Crime Open Houses in Newbrook, Thorhild, and
Radway. These events were well attended by the community. Seeking to further engage the
community and build on these engagements the County is planning to host a Crime Prevention
Open House in April 2020 (date to be confirmed) with representatives from the County, RCMP and
Province in attendance to discuss improvements to rural policing.
The County was able to secure funding for three bridge replacements in the amount of $2.3 million.
These new bridges are open span, there are no pilings, to be damaged from ice flows and have been
widened to accommodate wider loads. The bridges now have an anticipated life cycle of 70 years.
Work was performed in many of the hamlets, including a roof replacement at the former Thorhild
Village Administration Building, the Newbrook Observatory Refurbishing Project (to be completed in
the spring of 2020), repairs to the main street in Egremont and the roof of the Thorhild Curling Rink
compression.com

During 2019 the County provided over $137,000 in donations to the following local organizations:
• $30,000 to the Thorhild & District Agricultural Society
• $20,700 to the Royal Canadian Legion – Thorhild
• $20,000 to the Radway Agricultural Society
• $15,000 to the Seeds to Sprouts Childcare Society
• $13,500 to the Newbrook Recreational and Agricultural Society
• $12,000 to the Radway Health Care Auxiliary
• $10,200 to the Abee Community Association
• $7,000 to the Redwater Fellowship of Churches Food Bank
• Over $9,000 to youth groups and community associations

The County was able to secure donations for, and to distribute, 63 Christmas Hampers helping over
196 of our residents celebrate Christmas

Thorhild County Medical Clinic was kept busy with 1876 patient visits, flu vaccines, and hosting
Nurse Practitioner Practicum Students.
An “Agricultural Local State of Emergency” was declared by the County recognizing the impact of
flooding, rain, and a persistent highwater table on our agricultural producers.
Like most rural municipalities throughout the province Thorhild County was unable to avoid the
repercussions of the ongoing downturn in the oil and gas industry in 2019, which required Council to
write off $1.2 million in 2019 taxes (up from $841,000 in 2018). This reality played a considerable role
in the difficult decisions which Council had to make during the 2020 budget deliberation meetings. After
many lengthy discussions, Council passed a balanced 2020 budget on December
18, 2019.
Thorhild County Administration has been providing information to identify new potential investors
and investment leads in efforts to assist economic development growth throughout the County.
Council recognizes the importance of the province’s energy sector to our region and many regions
across our country. Thorhild County Council joined with neighbouring municipalities to express
concerns with Bill C-48 and Bill C-69. Thorhild County Council asked the Government of Canada to
develop legislation that would support the energy sector. Unfortunately, the legislation was not what
had been anticipated by Council.
Thank you to the management and employees for making Safety a core value in all our activities.
County staff had a very successful year in 2019 and achieved significant decreases in workplace
incidents and injuries.
Thorhild County Council will continue to work to find the best solutions for our community and its
residents.
On Behalf of Council,

Reeve Kevin Grunelza

Payroll Clerk

Smoky Lake County is seeking a self-motivated individual who is a team player and who is prepared to take a responsible role in the administration of the payroll for Smoky Lake County. The position of Payroll Clerk reports to the Finance Manager.

DUTIES INCLUDE:

- All duties relating to payroll including master file maintenance, input, edits, and compilation of pay runs for union and non-union staff.
- Benefits administration and coordination
- Balancing accounts, reconciliations, and reporting
- Year-end payroll reporting
- Answer phone
- Assist public
- Other related duties and cross training as required

QUALIFICATIONS INCLUDE:

- Ability to organize, multitask and prioritize
- Familiarity with Labour Standards and CRA payroll rules
- Proficiency with Microsoft Office with exceptional Excel skill is required
- Must be adept in learning financial/payroll software. Preference will be given to candidates with experience working in Belfamy.
- Must be analytical, with good attention to detail
- Ability to provide excellent customer service to members of the public, other staff members, and members of Council.
- Strong communication skills with the ability to work in team environment.

HOURS OF WORK: Hours are 8:00 am to 4:00 pm, Monday through Friday

SALARY & BENEFITS: Smoky Lake County offers a competitive salary and excellent benefits based upon the CUPE collective agreement Local 4575.

APPLICATION: Qualified candidates are encouraged to submit a cover letter and resume in confidence, to the undermentioned by 4:00 p.m. on Tuesday, February 18, 2020.

Brandy Adenson, Finance Manager, Box 310 Smoky Lake, Alberta, T0A 3C0
Fax: (780) 695-3708
Email: badenson@smokylakecounty.ab.ca

The competition will remain open until a qualified candidate has been found.

We thank all applicants in advance but only those selected for an interview will be notified.
