The new wing of Diamond Spring Lodge in Redwater was formally opened with a COVID-19 style grand opening Oct. 7. Residents moved into the main floor rooms in May; supportive living residents will begin moving into the secure second floor units Oct. 15. The project created about 52 jobs in Redwater.

“Wow, what a beautiful building,” said Alberta Seniors and Housing Minister Josefine Pon. “This is wonderful news to the Redwater community and the seniors who call it home.”

The expansion project included replacing 13 outdated units with 24 modern ones. The old south wing containing 13 small rooms was demolished. A new two story wing replaced it, with a chapel, common areas, 12 new residential units on the main floor and 12 designated supportive living units on the second floor.

This project is part of the more than $55 million plan that will create 125,000 new housing units and lift 550,000 families out of housing need, as well as repair and renovate more than 300,000 housing units and reduce chronic homelessness by 50 per cent.

The National Housing Strategy is built on strong partnerships between federal, provincial, and territorial governments, and on continuous engagement with other levels of government, Indigenous governments and organizations, and the social and housing sectors to ensure meaningful change for Canadians.
Resource Extraction Review continues Oct. 19 - Nov. 6

From October 19 – November 6, we are asking for your feedback to help us review Sturgeon County’s approach to resource extraction, balancing our need for economic growth with our responsibility to protect our land and way of life.

Since April 2020, we have been talking to landowners and businesses about our current regulations on how resources like sand and gravel (aggregate) are being extracted and to see how they are working.

Based on what we’ve heard so far, we have developed potential options for new regulations if Sturgeon County decides to adjust the current approach. We’d like to get your thoughts on this new information.

Visit sturgeoncounty.ca/ResourceExtraction to review what we’ve heard, complete the new survey, find out about our online information sessions, or to sign up for our in-person open house on November 5, or contact our team directly; email pandd@sturgeoncounty.ca or call 780-939-8275 or toll free 1-866-939-9003 Ext. 8275.

Due to the COVID-19 pandemic, we ask that participants pre-register for this in-person event.

Disaster Recovery Funding Available for Spring Flood Damage

Residents, landowners and businesses must apply by December 23, 2020.

If you live in Sturgeon County, and your home, business or property was damaged by flooding and groundwater seepage damage from April 22 to May 4, 2020, you may be eligible to receive Disaster Recovery Program funding from the Government of Alberta.

Earlier this year, based on the ongoing flooding, Sturgeon County’s application to the Government of Alberta to access the Disaster Recovery Program (DRP) was approved. Any resident, landowner, or businesses in Sturgeon County who has experienced uninsured loss or damage from the 2020 flooding is eligible to apply.

Go to www.alberta.ca/DRP to download and submit your application form, and to find the most up-to-date program guidelines. Information also available by phone 1-888-671-1111 or email drp.info@gov.ab.ca

Note: Hall, sewer backup and insurance deductibles do not qualify under the program as insurance coverage is considered readily and reasonably available.

Vinca Bridge Planning Study Underway

Alberta Transportation has begun the planning of a new bridge structure that will replace the Vinca Bridge. The old bridge will remain open during construction.

Kris Kringle event in Redwater outsmarts COVID-19 Grinch

Redwater will hold its annual Kris Kringle celebration, modified to comply with COVID-19 regulations, on Dec. 4. “Should COVID-19 become more prevalent, we may have to reconsider what is planned or what additional safeguards may be required,” said CAO Larry Davidson. “We want to ensure our residents can participate in this event.”

Community Services manager Garnet Davison proposed holding Kris Kringle in the Pembina Place parking lot where Santa and his helpers will hand out hot chocolate, activity packages and treat bags at a drive-thru station. Maps of the Redwater Shining Stars Parade of Lights will also be available there. Collections for the local Food Bank will be at the same site.

Homes and businesses that register for the Shining Stars & Parade of Lights will be marked on the map so community members will know where to drive past to enjoy the decorations and lights.

The annual Festival of Trees event will not be held. Instead, community groups are encouraged to register with the town and set up a display at a location of their choice. They can partner with a local business to put up a tree or display or put a display in one of their members’ yards. Attendees going through the drive-thru will be given ballots to vote on their favorite display.

Davison estimated the total cost at approximately $3,570. That may be offset by sponsorships and grants from local businesses. The 2020 budget has $3,500 for Kris Kringle. During its Oct. 6 meeting council approved holding the modified event.

**Halloween Safety Tips**
Halloween is just around the corner. Let’s celebrate the spookiest time of year without the fear of spreading COVID-19.

- Don’t go trick-or-treating or hand out candy if feeling ill, even if symptoms are minor.
- Avoid touching doorbells or railings; call “trick or treat” from 2 metres away, knock instead of using doorbells, use hand sanitizer after touching surfaces.
- Minimize contact with others; trick-or-treat with your family or cohort, remain within your community, and stay 2 metres apart.
- Wash hands and disinfect packages before eating candy.
- Wear a non-medical mask that fully covers your nose and mouth.

---

**Development Services**
As part of an ongoing effort to find efficiencies and savings, please be advised that the Town will be using a contracted service provided by Municipal Planning Services (MPS), who currently provides planning assistance to the Town.

Development Permits are available online in a pdf-rollable format, or from the office. Enquiries can be sent by email, by telephone or by appointment.

MPS will be at the Town Office once a week to meet with prospective applicants with questions.

Safety Codes permitting, which includes building, electrical, plumbing and heating will continue to be provided by the Inspections Group.

Such a change will result in significant financial savings for the Town, while having knowledgeable personnel available to assist you.

employees would like to say farewell to Cst. Maxime Cantin. Cst. Cantin was a member stationed at the Redwater Detachment since July of 2016. Cst. Cantin was a very capable and community-minded member that would never hesitate to do anything he could to make the town of Redwater a safer place. He is a member of Sturgeon and Thorhild County better. Cst. Cantin played a large role in our positive ticketing campaign, purchasing education of supplies for kids and for the school year, and finding Mountie (the cat that was hanging around the detachment in late summer) his forever home. We wish Cst. Cantin well in his new role at RCMP “K” Division.

The Redwater Detachment is seeking community feedback. In the current world of COVID-19 community engagement events have become a challenge due to social distancing requirements. In order to seek feedback on community concerns, the Redwater RCMP will be completing monthly police briefs (like this one) in order to keep the public informed on activities in the community. In addition we encourage interaction and anyone with any inquiries, comments, or concerns can contact us at Redwater communityfeedback@rcmp-grc.gc.ca All email submissions will remain anonymous. During each monthly police brief members of the detachment will answer a few of the questions asked. We look forward to hearing from you.

RURAL inexperienced members can often encounter wildlife. The Alberta Hunting regulations state that the following acts are unlawful:

• discharge a weapon within 183 m (200 yards) or cause a projectile from a weapon to pass within 183 m (200 yards) of any occupied building. Owners, occu-
pants, or persons authorized by the owner or occupant are excepted, subject to local bylaws.

• discharge a firearm or cause a projectile from a firearm to pass along or across:
  • a provincial highway (this designation applies to all former primary and secondary highways),
  • a road that is paved, oiled, grided or regularly maintained, unless
    • the road is held under any active disposition under the Public Lands Act or an order under the
    • Surface Rights Act, or
    • the person is hunting game birds with a shotgun under the authority of a licence.

Note: if there is no identifiable ditch or fence to mark the outside edge of the roadway, then the road-
way extends 20 feet from the edge of the traveled por-
tion.

• hunt any wildlife while impaired by alcohol or drugs.

• hunt any wildlife or discharge a firearm between one-half hour after sunset and one-half hour before sunrise.

• hunt any wildlife or discharge any firearm on or over occupied land or enter on to such land for the pur-
pose of doing so without the consent of the owner or occupant of the land.

Report suspicious or illegal hunting and fishing activity, dangerous wildlife encounters, serious public land violations or any other concerns, online at www.reportaspoach.com or by phone at 1-800-444-3811.

On Aug. 29, at approximately 8:30 p.m., Boyle RCMP responded to a report of an adult female that had been stabbed at a camping site south of Boyle. The victim was transported via STAR to an Edmonton hospital with serious life threatening injuries. The male suspect fled into a wooded area after the stabbing occurred. RCMP Police Dog Services and Edmonton Police Services - Air 1 assisted with search efforts but the male was not immediately located. Two RCMP Forensic Identification Services members with keen eyes, who attended the scene were heading back to the Edmonton unit approximately 5 p.m., on Aug. 30, 2020, when a male matching the description was spot-

LEGAL NOTICES

Pursuant to Sections 230, 606 and 692 of the Municipal Government Act, R.S.A. 2000, Ch. M-26, the Town of Smoky Lake hereby gives notice of their intention to adopt Proposed Bylaw No. 20-2020, amending the Town of Smoky Lake Land Use Bylaw 007-17 to revise provisions contained within Section 7.19 Off-Street Vehicular Parking.

THEREFORE, TAKE NOTICE that pursuant to Sections 606 and 692 of the Municipal Government Act, public hearings to consider the proposed Bylaws will be held:

Pursuant to section 606 of the Municipal Government Act, Sturgeon County Council is requesting public input on proposed Bylaw No. 1510/20. This Bylaw proposes to amend the zoning of a 10-acre portion of SE 27-56-23-W4 from “AG – Agriculture” district to “REC – Recreational District” to allow for consistency throughout the Goose Hummock Golf Resort Inc. lands. The map below outlines the subject area:

In accordance with subsection 3.3.2 of the Land Use Bylaw (Bylaw 1385/17), only adjacent landowners are provided written notice of the Public Hearing. However, any resident deemed to be affected may provide a written submission or register to speak at the Public Hearing.

Due to the COVID-19 pandemic and to protect the health and safety of the public, the Public Hearing is being held via teleconference on:

October 27, 2020 at 1:30 p.m. (or as soon as practical thereafter)

The hearing will also be livestreamed at sturgeoncounty.ca

All interested parties are encouraged to express their views by providing a written submission to Legislative Services by email at legislative.services@sturgeoncounty.ca.

Written submissions will be accepted up to the close of the Public Hearing.

In order to speak at the Public Hearing, you must register 24 hours prior to the opening of the Public Hearing (no later than October 26, 2020 at 1:30 p.m.) by contacting Legislative Services by email at or 780-939-8279 or 780-939-8277. Speakers will be given a 5-minute time limit.

Any inquiries regarding the proposed Bylaw should be directed to Natasha De Sandi with Planning and Development Services at nds@sturgeoncounty.ca or 780-939-8350.
